PROFESSIONAL SUMMARY

I hold a Bachelor of Technology (B.Tech) in Computer Science (Information Technology) from the Federal University of Technology, Akure. I have strong knowledge in software development, computer systems, networking, and web technologies. I'm passionate about using technology to solve real-world problems and open to opportunities in teaching, IT support, and development. I learn quickly, adapt easily, and stay committed to continuous growth and meaningful contribution.

WORK EXPERIENCE

1) SOFTWARE DEVELOPER, LAGOS, NIGERIA

SEPT 2025 – FEB 2026

Worked as a software developer contributing to the design, development, and maintenance of financial software solutions, helping improve system efficiency and reliability. Collaborated with cross-functional teams to optimize application performance, resulting in faster load times and reduced system errors. Identified and resolved bugs, improving overall system stability and decreasing reported issues. Supported the development and deployment of new features, enhancing user experience and increasing user engagement.

2) ZONAL INSPECTOR OF EDUCATION, OSUN STATE

NOV 2024 – NOV 2025

Served under the Zonal Inspector of Education at the Education Office, Ikirun Zone (Osun State Ministry of Education), supporting academic supervision and school monitoring across public schools in the zone. Contributed to the implementation of education policies, improving compliance rates and instructional standards. Participated in school evaluations and reporting, helping identify performance gaps and support interventions that enhanced overall school effectiveness.

3) SALES OFFICER AND WEB DESIGNER, ONDO STATE JAN 2021 – JUNE 2021

Participated in trade shows and exhibitions, expanding professional network and increasing brand visibility among target audiences. Organized and delivered product demonstrations to prospective customers, driving engagement and contributing to lead generation. Analyzed sales data to identify performance gaps and trends, supporting data-driven strategies that improved sales effectiveness and conversion rates.
